Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 24 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly fine weather into the weekend.

This Evening and Tonight:
A dry evening and night with clear spells at first, but turning cloudier overnight as cloud spreads into the region. Patchy fog developing under any clear skies through the early morning. Feeling mild tonight. Minimum temperature 12 deg C (54 deg F).

Saturday:
A fine and dry day on Saturday, with any morning fog quickly clearing. Rather cloudy for many but sunny spells will still break through at times. Light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Dry with sunny spells on Sunday before a band of rain arrives overnight. Scattered, blustery showers on Monday and Tuesday, heavy at times with possible hail and thunder.
